

PERSPECTIVE PLAN

In order to align with the evolving landscape of education and ensure continuous growth and development, the college has outlined a comprehensive perspective plan encompassing various key initiatives and objectives:

1. **Compliance with University Regulations:** To follow the guidelines, procedures, rules, and regulations set forth by the University of Mumbai and UGC is paramount. Any necessary adjustments will be made to ensure compliance with these standards.
2. **Autonomous Status:** To achieve the autonomous status, the institution endeavours in enabling it to have greater control over academic and administrative matters.
3. **Enhanced Accreditation:** To strive for better accreditation from NAAC reflects the college's commitment to maintaining high academic standards and quality assurance.
4. **UGC Recognition:** To become eligible under section 2(f) and 12(b) of the UGC Act will allow the institution to access assistance and support for the benefit of students and overall institutional development.
5. **Adaptation to New Education Policy, 2020:** To be fully compatible, the college aims with the changes proposed in the New Education Policy, 2020 ensuring seamless implementation and adoption of its provisions.
6. **Infrastructure Development:** To Augment the existing infrastructure and implementing modern facilities such as lecture capturing systems and e-content development facilities will enhance the learning experience for students.
7. **Solar Power Installation:** To install solar panels in the college premises to promote energy efficiency and sustainability.
8. **ISO Certification:** To obtain ISO certification will signify the institution's commitment to quality management and continual improvement.
9. **Academic and Extracurricular Programs:** To organize university-level programs, competitions, intercollegiate competitions, and additional management courses to enrich the academic and extracurricular experiences of students.

10. Affiliation and Accreditation: To Seek permanent affiliation from Mumbai University, affiliation for additional management courses, and establishing competitive and professional exam centers within the institute are priorities.
11. Research and Collaboration: To Establish MoUs with research centers, international industries, and organizations will promote research activities among students. Additionally, developing an online feedback system will facilitate continuous improvement based on stakeholder input.
12. Moral and Professional Development: To emphasize participation in DLLE activities, add-on courses, seminars, workshops, and tie-ups with professional institutes will enhance students' employability skills and provide better placement opportunities.
13. Community Engagement: To engage in outreach and extension activities, promoting women empowerment, and strengthening the alumni association demonstrate the college's commitment to societal responsibility and inclusivity.
14. Faculty Development: To encourage faculty to publish research papers in recognized journals, upgrade qualifications, and utilize more ICT-based teaching methods will enhance the overall academic quality.
15. Research Publications: To motivate faculty to publish research papers in reputable platforms will contribute to knowledge dissemination and academic prestige.
16. Global Centre of Excellence: CKCL aspires to be a national and global Centre of Excellence in Law by generating, disseminating, and preserving legal knowledge.

By diligently pursuing these objectives, the college aims to create a dynamic and conducive learning environment that encourages academic excellence, holistic development, and societal impact.
